MUKTHI PRIYA

Vol. 27, No. 7

July 2026

WHERE IS GOD?

- Where there is God the bad and an ugly things will not appear
- Bad things are senseless creation of mindless people all around
- The world is full of people with negative thinking on the ground
- The principle of Godhood is well rooted in our ancient system
- Search him in and out and up and down to understand thoroughly
- Merging with him is paramount duty of every one in his life
- But how to find him and where to find him is the need of the hour
- Oh! Dear He is everywhere and hence, known as merciful Vishwa
- Searching needs a pure mind and strong will power to win over
- Wherever purity is present, the Almighty will be there as said in Gita
- He is the sum and substance of the beautiful universe for us to live
- Universe is His playground and He nurse it very wisely and nicely
- He is like ghee in the milk that it needs to be explored and extracted
- He is the sweet juice in the sugarcane that should be crushed
- He is in the movements of air that helps us to survive in this world
- He is in the fragrance of flowers that we can smell it for pleasure
- He is in the juice of fruits that you will find it when crushed them
- He is in the salt of ocean that can be found when sip the water
- Crushing our ignorance altogether is useful for the mind forever
- As He prevails everywhere, He is in your innermost mind as well
- Search inside for the Almighty for your urge to find him everyday
- You will find the Omnipresent and He will be very pleasant eternally
- Bharathi says in his poem he found Him in the blackish color of crow
- Then, he sees Him in the greenish color of every tree in the world
- And in the every sound that appears, he heard His divine eternal music
- When he puts his fingers in fire, he felt as if he in touch with Lord!
